Visit Santa Claus at Ho-Ho-Holiday in the Park!

Santa Claus is coming to town with a sleigh as full as his belly. To help spread the holiday cheer, he's bringing a few friendly elves and his entire workshop along for the ride! Stop by Santa's House to see what the elves have set up for you: authentic North Pole Christmas décor, a cozy corner full of wrapped toys, and the jolliest scene of all, where you can catch a glimpse of the big man himself and tell Santa your biggest Christmas wish.

Visit Santa at Holiday in Park beginning November 23 and you can even take a souvenir picture to commemorate the magical moment! Be sure to reserve your time to visit before St. Nick finishes making his list and checking it twice (December 23).

Our elves are hard at work transitioning the park into a winter wonderland – hanging lights, freezing snowflakes, and building a giant tree. We can't wait for you to see the transformation when we reopen for our brightest experience yet on Friday, November 23.

Holiday in the Park Begins with A Main Street Christmas

As you enter the park, you may wonder how you made it all the way to the North Pole! We've decked the halls of our front gate promenade with a canopy of thousands of twinkling lights and decorated garlands. You don't have to wait for Jack Frost to make an appearance to enjoy a White Christmas as snowflakes flurry through the air and coat the midways.

Throughout the evening, the entire area erupts into a giant synchronized light display. The custom-designed light show changes colors and creates stunning patterns with choreographed precision, dancing magically to holiday music.
