Saloon Series

Thursdays in July and August, 5:30 p.m. - 7:30 p.m.

Whiskey tasting, featured cocktails, live local music, and good company return to the National Cowboy & Western Heritage Museum! Thursday evenings in July and August from 5:30 - 7:30 p.m., enjoy an experience that can't be replicated with the ever-popular Saloon Series nights. We're even drawing one lucky winner each night to take home a tasty surprise!

Kick up your feet after a long day and enjoy the golden age of the saloon, hear live music, and learn about different whiskeys each week in cooperation with Southern Glazer's Wine and Spirits and Rodeo Opry Foundation. \$25 at the door includes a whiskey flight, one full drink ticket, one food ticket, whiskey class, live music, and Museum admission. Not a whiskey drinker? Museum admission, including access to the whiskey class, live music, and a cash bar, is just \$5. See you soon!
